## Ingredients:

- 1 watermelon
- 80g blueberries
- 80g strawberries
- Small pot of natural/Greek yoghurt

## Method:

1. Slice your watermelon in half. Then cut a large 2-3 cm circle out of the centre to make your watermelon base
2. Cut your watermelon base into 6 slices
3. Cut the strawberries into quarters
4. Decorate the watermelon slice with the yoghurt, strawberries and blueberries.

**Top Tip:** During the summer you can pop your watermelon slices in the freezer for a cooling snack.
