Method:

1. Half the cucumber and cut off the end
2. Use a peeler to create grooves down the edge of the cucumber - leave a space between each groove
3. Slice the cucumber into 12 even pieces
4. Use a cookie cutter to cut out the bread circles (you can get 2 circles from each slice)
5. Add the drained tuna into a mixing bowl and mash into flakes
6. Add 2 tbsp of cream cheese to the tuna and mix until combined
7. Thinly slice your gherkins and tomatoes
8. Add around 1 tbsp of tuna mix to each bread circle, top with the cucumber, tomato and gherkin and sprinkle with poppy seeds
9. Serve and enjoy!
